Manifesting Divinity - Inspiration Vallabh, Aspiration Vallabh

Dedicated to the lotus feet of **His Holiness Shastapeethadishwar P. P. Goswami 108 Shri Dwarkeshlalji Maharajshree** on the auspicious birthday (*Pragatya Din*) celebrations, this blessed occasion is an opportune moment to reflect and give thanks to the enormous grace and uplifting inspiration we have received over the years from Pujya Jeje. Surely for most who are offering their words in this “Bhav Samarpan” words really cannot capture the true nectar of association with Pujya Jejeshri and the influence he has had on each of our lives.

My first physical contact with Pujya Jejeshri was during a solo trip I made to India from USA in 1987, when upon the advice of my mother, Vinodiniben, before leaving California, suggested I made sure to have darshan and visit the Vadodara Bethakji before coming back home to the Bay Area. Heeding her recommendation and having sought the assistance of my cousins in India, I found myself on that December evening sitting in front of a young enthralling and enchanting Yuva Acharya who would fluidly discourse with me in Gujarati and English making me totally at ease in spite of my lack of familiarity to the world of Pushtimarg etiquette and then revealing to me that he had in fact visited our home (in my absence) a few years back in the San Francisco Bay Area correctly describing its appearance as well as all the people he met. His warm reception made a lasting impression – revealing his sharp memory (**smrutih**), illustrious personality (**tejaha**), humility (**anahamkrutih**) and kindheartedness (**mardavam**)! Pujya Jeje was a repository of amiability and goodness at a young age which we still see today! It would be a while until we

reconnected again.

Then at the turn of this century, there were more frequent encounters with Pujya Jeleshri both in the USA and in India. I learnt so much just from his living and his being! I became attached to his mere presence and saw that he always gave his best to Thakorji and to everything and everyone with total ease and contentment (**santoshaha**). Early on I took note that Pujya Jeje's thoughts (vichar), speech (vani) and actions (vartan) all pointed towards the same – that divinity lives in the world! The thoughts, speech and actions were all put to good use and used to only serve Thakorji, Sampraday, Society, Nation and the World. I recall that while taking him on a tour to San Francisco, suddenly there was a film crew (making a documentary of the famous Beat Generation Poets) that showed up with a microphone in front of Jeleshri as he was taking in the scene from Telegraph Hill. A simple question on his feelings about the beauty of San Francisco was answered with such simplicity (**arjavam**), skill (**kaushalam**) and presenting the vision of seeing God's divine form in everything seen within His own creation in which He resides and indeed that view of the Bay was the reward of relishing that divine mood. That answer revealed to me that Pujya Jeleshri experienced God everywhere and in that brief answer he enabled me to get a proper vision and perspective of this world. Pujya Jeleshri validated for me the practicality of the teachings (**jnanam**) of Shudh-Advait philosophy of Srimad Vallabhacharyaji that I just had begun exploring.

Along this time, the Vaishnav community in Northern California realized how

fortunate they were to receive the blessings of Pujya Jejeshri for Aapshri embodied all the virtues and characteristics to inspire the nascent community with his illustrious personality (**teja**), vigour (**balam**), reputation (**kirtihi**), radiance (**ojoha**), amiability (**shilam**), exceptional intelligence (**pragalbhyam**) and love (**prashrayaha**). Furthermore, his tendency to skillfully and courageously (**shauryam**) address and serve contemporary Hindu and Pushtimarg related concerns with total faith in God (**astikyam**), mental stability (**sthairyam**), patience and fortitude (**dhairyam**), as well as helping everyone appreciate the one truth (**satyam**) meant that Aapshri could awaken many of us from the sleep of ignorance to wisdom through his example which we felt was worthy of reverence (**manaha**) for all - including the youth. Out of sheer compassion (*daya*), Pujya Jejeshri agreed to be our (Bay Area Youth Vaishnav Parivar's) spiritual benefactor with Pujya Jiji (Goswami 108 Shri IndiraBetiji Mahodayashri). That request and the compassion of Vallabh brought forth "Prabhu Padhramni" in our very own facility (now called Shreemaya Krishnadham) that BAYVP purchased through the guidance of Vallabh.

That same year in 2008 Pujya Jejeshri had organized the VrajAnand Mahotsav Yatra (pilgrimage) in which many of us, due to the inspiration of Aapshri, decided to participate in and thus traveled to Vraj, India from California. Arriving a few days after commencement of the program, I was blessed to join the large number of pilgrims and can vividly recall arriving in Gokul while the colorful shobha yatra of Shri Kalyanraiji Prabhu was occurring and the way that

Pujya Jeeshri was totally immersed and enraptured with the Lord (in quietism – **upartih**) filled with his own loveliness of form (**kantih**) and bliss (**anand**) gave me an indelible image of how Shri Gusaiji might have blissfully performed the **seva** (pleasing service) of ShriNathji Bawa and how we too should do the same! During the remaining days, we saw a myriad of striking manoraths that it seemed even the gods had always arrived to witness the occasion where Thakorji was felicitated by none other than Apsihri with the whole atmosphere filled with immense nectar of devotion (**bhakti**). Thereafter I have been blessed at every such occasion the **samarpan bhav** (complete dedicated offering), total splendor, delight, ras and good fortune (**bhagaha**) in which the pleasing of Thakorji was performed by Aapsihri! Witnessing this it always feels that a fountain of bliss springs forth as Pujya Jeeshri is deeply immersed in Thakurjis seva which gives total joy to everyone having the love-filled darshan. I cannot do any justice to describe the delight of such occasions by mere words and each one has its own Lila! My words here cannot capture the transcendental sounds of pakhawaj played by Pujya Jeeshri accompanying the Kirtans nor the bhav created upon hearing Pujya Jeeshri's composed poetry. As the Srimad Bhagavadam says it is indeed only due to God's grace that able to get ...

Along the years, I have had the grace and privilege to accompany and witness Pujya Jeeshri in various interactions that always made me feel I was in the presence of divinity not merely just by his virtues and deeds but also his form. On a recent visit to USA I vividly recall on a padhramni a child of 8 months was

crying continuously even while in the arms of her parents and would not stop crying but at about the end, while Pujya Jeje is about to bless the child and do Nam Karan, Aapshri calls out to the child and abruptly the baby changes her gesture totally and begins to smile and allowed the ceremony to be completed to place the first Kanthi and keep smiling and interacting with Jejeshri! It was a moment that even the child's parents felt was totally revealing as if we witnessed Pujya Jejeshri's power and lordship (**Bhagaha**).

There were many other occasions to see Pujya Jejes illustriousness in various scenarios with the most powerful to those most weak in society where he always displayed his evenness of style (**samyam**) being so respectful, compassionate (**daya**) and over flowing with love (**prem**) for every individual. It's also astounding when looking at Pujya Jejeshri's life works and deeds – when witnessing Aapshri in Seva of Thakorji, to managing all the various trusts that encompass diverse needs of society (humanitarian, educational, animal welfare etc), to promoting the rich cultural heritage of our tradition to propagating the life and teachings of Lord Krishna (**shrutam**) as envisioned by Srimad Vallabhacharyaji – that the sacrifices incorporating austerities (**tapaha**) and renunciation (**tyagaha**) which Pujya Jejeshri has personally taken immediately is realized. In the fall of 2016, when inaugurating the first wooden hand carved Pushtimarg Haveli in North America, (Vallabham, Connecticut) I witnessed that in spite of several logistical hurdles along the way, Pujya Jejeshri personally supervised with much composure (**shamaha**), tolerance (**titiksha**), truthfulness (**satyam**), forbearance and forgiveness (**kshantihi**)

into the wee morning hours the readiness for this event and all along the journey Pujya Jeleshri gave guidance and joy to others even though he had hardly had rest several weeks preceding the grand event. Though this was just one event that I personally witnessed seeing all Aapshris grand activities one can imagine how often Pujya Jeleshri has to deal with challenges! It is obvious that Pujya Jeleshri has purely (**shaucham**) and totally subjugated his senses ((**damaha**) to Lord Shri Krishna, hence Aapshri is naturally and effortlessly able to reveal his lordship (**aishvaryam**) and contentment (**santosha**) hence Pujya Jeleshri is able to have such a radiant demeanor.

While, that Pujay Jeleshri is a mine of all the 39 divine virtues (**guna**) of Lord Krishna (divinity) in Pujya Jeleshri, Aapshri's form (**roopa**) is also divine - for everyone that meets Pujya Jeje, just as that young baby, can feel Pujya Jeleshri's total being and easily develop unconditional love for Aapshri. Finally, even recitation of Aapshris name (**nam**) – **Pujya Pad Goswami 108 Shri Dwarkeshlalji Maharaj** itself can be beneficial and take one closure to Lord Shri Krishna!

I pray this is just the beginning of my love, understanding and attachment to Pujya Jeleshri and that continue to grow strong along with Pujya Jeleshris advancing years! May the reverence, fondness and glory of His Holiness Goswami 108 Shri Dwarkeshlalji Maharaj grow brighter and stronger through Aapshris example of Seva, Samarpan and Sad-Bhav!

On occasion of Pujya Jeleshri's Pragatya Din - Badhai Badhai Badhai!

Shri Dwarkeshlalji Maharajshri Jai Ho!

EMBODIMENT OF GRACE, LOVE & COMPASSION

It is indeed an incredible honor and privilege to contribute to “Bhav Samarpan” on the momentous auspicious occasion of “Pragatya Din” celebrations of HDH Shashthpeethadishwar Pujya Pad Goswami 108 Shri Dwarkeshlalji Maharajshri.

*I have often heard Pujya Sarkar say in his Vachnamrut: **“Blessed is the home in which Shri Thakorji resides,”** but I never truly understood and experienced the reality of that profound statement until Shri Thakorji came into my life because of Sarkar's graceful spiritual vision (Krupa Drishti)!*

Shortly after my “Brahmsambandh” some years ago, I met Sarkar at Shreemay Krishnadharm in Milpitas during his Spiritual tour. I had gone to the temple simply to seek Aapshri's darshan and participate in the Manorath. As is the customary Pushtimarg etiquette, I offered my Panchang Pranam at Aapshri's Lotus feet and Aapshri blessed me and then asked me how I was. Without any hesitation, I replied with tears in my eyes that for several few weeks I had been experiencing an incredible desire to start Shri Thakorji's seva. Aapshri gazed upon me intense compassion with Your most radiant smile and without a second thought presented me with the most beautiful swaroop of Shri Lalanji which you had brought from India. Besides being totally surprised and speechless, I was overcome with profound joy, which I had never experienced before! How did Sarkar know about my underlying sentiments? I had not gone to the temple that day with the intention to discuss anything with Him but somehow when Aapshri asked me about my wellbeing, my inner most feelings were exposed! Numerous questions floated in my brain. This was admittedly an extremely joyous and life transforming moment that did not have a logical explanation but a spiritual

one known as “Guru Krupa”!

Today Shri Thakorji has become an integral part of my family and the most important member of the household. His presence and Grace have positively altered my family's life and filled it with immense happiness, love, devotion and spirituality. This transformation would not have been possible without Sarkar's divine intervention and blessings.

Pujya Sarkar's warm and compassionate heart, gentle demeanor, radiant smile, graceful vision, eloquent speech, intellectual prowess, captivating presence and devotional spirit along with His profound philosophical writings, selfless humanitarian work, as well as His countless religious and cultural efforts throughout India and around the world are a true testament to the ever lasting divinity of Jagadguru Shrimad Vallabhacharya Mahaprabhuji!

I humbly bow a thousand times at Aapshri's lotus feet, honoring the inherent and eternal “Guru Tatva”!

JUG JUG RAJ KARO SARKAR!

With utmost humility and sincere best wishes,

“Lord Kalyanraiji Prabhukji Loves all” are the words of Shri Shashthpeeth-adishwar pujiyapad Gowswami 108 Shri Dwarkeshlalji maharajshri. He has dedicated his life to the preservation and propogation of Jagad Guru shrimad Vallabhacharyaji's teachings and philosophy, and is truly been devoting his time and energy in establishing Pushtimarg. Under his guidance as a spiritual benefactor he has opened many Hevelies in India and abroad.

Aap Shri is one of the legends of Pushtimarg. Pushtimarg is spontaneous, selfless love for God (Shrinathji) the knowledge gained here is not a means to attain moksha but to win his Love. Pure love for the thakorji is expressed through his SEVA, seva here is Raag, Bhog, Shringar. Its aim is to attain his happiness combine love with seva and this is the realization of enjoying his bliss.

He is not only preaching the philosophy of Shri Gusaiji of Rag bhog shringar but truely follows it for the happiness of his beloved Kalyanraiji prabhu. Aap Shri has explicit knowledge in art and music. He is a vocalist and he plays instrument like pakhavaj, he does good rangoli (*Sanji*). He engages himself in many cultural and social activities. There is a lot to say but it is like showing a candle to Sun.

On this most memorable day of his Birthday my Dandvat Pranam. May god bless him with many many more Birthdays to come.

आप श्री का जन्म तृतीय पीठाधीश्वर भारतवर्ष के महान आचार्य प.पु.पा.गोस्वामी 108 श्री बृजेश कुमार जी महाराज श्री तृतीय पीठ कांकरोली नरेश के यहां अगहन मास की चतुर्थी को हुआ, हम अक्षरों के जोड़ से कुछ इस प्रकार देख सकते हैं। प्राकट्य तृतीय पीठ का अंक 3 आप श्री षष्ठम पीठ बड़ोदरा गौद पधारे तो षष्ठम पीठ का अंक 6 तिथि चतुर्थी का अंक 4 जोड़ने पर $3 + 6 + 4 = 13$ योग होता है जब आपके द्वारा ब्रह्म सम्बन्ध कराया जाता है। तो आप श्री प्रभु से कहते हैं कि प्रभु यह जीव तेरा था तेरी शरण में आया है मैं साक्षी हूँ।

इस प्रकार कहा गया है :-
दील कृपा में है नहीं विश्वास ही की डील।
गिरधर के दरबार में हैं, हरिराय वकील।
इसी प्रकार अगहन मास हिंदी का 9 वां महीना तिथि 4 योग फिर 13 ही होता है, एवं $1 + 3$ का जोड़ = 4 हो जाता है इस प्रकार जो आपकी शरण में आने वाले जीव को धर्म अर्थ काम मोक्ष जो हमारे पुष्टिमार्गी है उस फल की प्राप्ति होती है।

MESSAGES FROM ACROSS THE WORLD

On this auspicious occasion of the 50th birthday of P.P.G. 108 Shri Dwarkeshlalji Maharaj, it is our honor and privilege to reminisce the blessings on our family in the past few decades by Pu. Jeje. I remember various processions that have enthralled the public of Vadodara. The Bank Road near Mandvi was filled with Vaishnavas and we awaited the chariot of Shri Bawashri. Our house is right across the mandir – the balconies of each of our four stories of the house were filled with eyes yearning to get a glimpse of the Vallabhkul balak. As the chariot rolled in, all of us were in awe – we had never witnessed such tej in anyone. Indeed, Pu. Jeje brightened each eye that was blessed for the darshan. We have only heard stories of how thakorji rode on the streets of Mathura after his victory with mama kans. Now, we had a chance to witness it. This was just the beginning of what would be the indefinite stream of blessings we have been bestowed and continue to receive.

Our family has always been closely associated with the Kalyanrayji mandir. Not only because our home was less than a block from the Haveli, but also because bhakti was in every nerve of our body. After Jeje resided in the mandir, we have witnessed a strong youth movement where every family from the neighborhood became a part of the temple services. We have witnessed so many manoraths, the marriage of Jeje, and have been very fortunate to be a part of celebrations at the mandir. In Jeje's sanidhya, our bhakti has grown, our knowledge increased. Our father who currently resides in gokuldhama has also been an integral part of Jeje shri's projects and has worked selflessly towards the growth of temple activities in Vadodara. On this auspicious occasion of Jeje's 50th birthday we offer our dandvat pranam and seek his blessings.
