Shree Sharanamkumarji  
Mahodayshree**

With the divine blessings and guidance of HDH Shashthpithadishwar Pujya Pad Goswami 108 Shri Dwarkeshlalji Maharajshri, Yuva Acharya Pujya Pad Goswami 108 Shri Aashraykumarji Mahodayshri and Yuva Acharya Pujya Pad Goswami 108 Shri Sharnamkumarji Mahodayshri, VIPO Global has established a Food Donation Program through V PAY - (VIPO Pushti Anna Yojna) to help the underprivileged members of our society.

This project is very near and dear to Pujya Jejeshri's heart. It stemmed from an incident he personally encountered:

One day, on the humble request of elderly Vaishnav widow, Pujya Jejeshri visited her home for padhramni. During his visit he learnt that the elderly lady lived alone as her only son had passed away. She was working at peoples homes to earn enough money for her daily needs including food, hygiene and household items such as soap, toothpaste, cleaning materials. Upon hearing this, Pujya Jejeshri's heart overflowed with compassion and He promised the elderly women:

**“From today, I am your son and I will do your Seva as a son and take care of you.....”**

Since that day, Pujya Jejeshri has been taking care of her and fulfilling all her needs, but there are thousands of persons like her in our society that need assistance for their basic survival.

I hopes that through **V-PAY** program, financially capable Vaishnavs can join him in this altruistic effort to make a meaningful contribution in the life of the many disadvantaged persons amongst us who are suffering in similar manner.

**V-PAY** will assist helpless elderly couples who have been abandoned by their children, elderly widows living on their own without support, young widows who have to feed and support their young children and many other helpless individuals.

**Pujya Jejeshri's Says:**

**"If you cannot afford to feed a hundred people (20 Families for 1 year), then at least come forward to feed one family for 1 month....."**

"Pujya Jejeshri feels that it is our duty as Vaishnavs (Vaishnav Dharm) to help those who cannot ask for help or beg. It costs less than movie tickets for your family to fulfill the needs of one family of five with groceries and other basic necessities for a month.

If you have the desire to help in this humanitarian cause we invite you to participate. Those in this philanthropic effort and encourage you to come forward and register as a donor.
